Frequently Asked Questions

What makes IsaLean Bars unique?

IsaLean Bars contain a high-quality whey protein from New Zealand, where the cows are pasture-fed and not treated with hormones or antibiotics. The protein is extracted from the milk using an exclusive, proprietary technology. Isagenix® has sole access to this exclusive manufacturing process; no other company in the world can mimic what we have done in order to produce our whey protein concentrate. Using this proprietary technology, IsaLean Bars contain lower lactose levels and a higher amino acid profile.

Why are IsaLean Bars so important for the body?

IsaLean Bars provide balanced nutrients to maximize nutrition while minimizing calorie intake for safe weight loss. IsaLean Bars contain superior nutrition compared to other meal alternative bars on the market.

Can children eat IsaLean Bars?

Yes, adults and children alike can benefit from the exceptional nutritional profile in IsaLean Bars. They taste great and can be used as a total meal replacement or a great healthy snack.
