

IsaLean® Shake

NATURAL CREAMY CHOCOLATE
NATURAL CREAMY VANILLA

IsaLean Shakes are delicious, creamy, nutritionally complete meal replacements that take your health and performance to new levels.

Reasons why IsaLean Shakes are the perfect highly-nutritious food:

- They contain 23 grams of exclusively sourced IsaPro® Complex, the highest quality undenatured whey and casein protein and a superior amino acid complex that helps you maintain lean body mass.†
- Using a new, proprietary technology, our whey protein has lower lactose levels for easier digestion.
- IsaLean Shakes have Ionic Alfalfa™, our exclusive blend of over 70 supercharged trace minerals to keep your body running at peak performance.
- IsaLean Shakes are low in sodium and cholesterol to promote heart health.
- At only 240 calories and 6 grams of fat per shake, it's a perfect, high nutrition food that's less than \$2.75 per meal.*
- Clinically proven to support great weightloss results and weight management.**
- Your body will love them and your kids will too.

Directions - Mix 2 scoops of IsaLean Shake with 8 oz. of cold, purified water and ice. Blend in an IsaBlender™. For maximum nutritional benefits, drink within 10 minutes. Do not freeze.

Replace 1 or 2 meals daily as part of your Isagenix system. For more details, refer to Isagenix system instructions or consult your Isagenix Independent Associate.

Parents: IsaLean Shakes are great for kids ages 3–11. Mix 1 scoop with 4 oz. of cold, purified water.

Note: If you are pregnant, nursing, diabetic, on medication, have any medical condition, or are beginning a weight control program, consult your physician before using this product or making any other dietary changes. Discontinue use if allergic reaction occurs.

IsaLean® Shake

Frequently Asked Questions

What makes IsaLean Shakes unique?

IsaLean Shakes contain superior nutrition compared to other meal replacement shakes on the market. IsaLean Shakes contain exclusively sourced IsaPro® Complex, the highest quality whey protein concentrate and casein protein from the world's largest dairy group in New Zealand, whose standards exceed the USDA organic standards. The cows are pasture-fed and not treated with hormones or antibiotics. The protein in our shakes is extracted from the milk using a proprietary technology that no other company in the world can mimic. As a result, IsaLean Shakes contain lower lactose levels and a superior amino acid profile. IsaLean Shakes also contain Ionic Alfalfa™—our proprietary blend of supercharged rare Earth minerals to keep the body running at peak performance.

Why are IsaLean Shakes so important for the body?

IsaLean Shakes provide balanced nutrients to maximize nutrition while minimizing caloric intake for safe weight loss and effective weight management. Our exclusive shakes also have added enzymes to break down the carbohydrates, proteins and fats for maximum absorption of key nutrients.

How do IsaLean Shakes support Nutritional Cleansing?

Protein is an important nutrient needed by everyone on a daily basis. It is made up of essential and non-essential amino acids, which are the “building blocks” for healthy bodies. Our high quality whey protein concentrate contains a superior amino acid profile for optimum health and wellness. Protein has a number of different roles in the body including the following:

- Repair body cells
- Build and repair muscles and bones
- Provide a source of energy
- Curb cravings
- Control many of the important processes in the body related to metabolism

What can I add to my IsaLean Shakes?

Our delicious shakes are perfect enjoyed just as they are. However, they are also extremely versatile and can be mixed with other great Isagenix products. For extra nutrition, add a scoop of IsaFruits®, *Isagenix Greens!*™, *Want More Energy?*®, IsaPro, Isagenix FiberPro™ or a half of an Oatmeal Berry SlimCake. You can add fresh fruit to your shake. See your Independent Associate for recipes.
